INFORMATION DISCLOSURE STATEMENT

Mail Stop Patent Application
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

S I R :

Submitted herewith are forms PTO/SB/08A listing the
particulars of the documents cited by the applicant and by the
Examiner in parent application Serial No. 09/547,447 and which
were made "of record" in said parent application.

Copies of the publications listed on the attached forms
PTO/SB/08A are not supplied herewith. As per 37 CFR 1.98(d),
which was effective March 16, 1992, copies of publications listed
in an Information Disclosure Statement are not required to be
provided if the information was cited or submitted in a prior
application. The present application properly identifies prior

parent application Serial No. 09/547,447 (filed April 12, 2000) and relies upon said prior parent application's earlier filing date under 35 USC 120.

It is respectfully requested that the Examiner consider the publications identified on the attached forms PTO/SB/08A submitted herewith and make them of record, as in the parent application.

It is further requested that the Examiner return an initialed copy of the attached forms PTO/SB/08A to confirm that the publications listed therein have been considered and made of record.

The references are all relevant since they are "of record" in the parent application of which the present application is a Divisional.

It is respectfully requested that prosecution on the merits now proceed on the basis of the application as amended herewith.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned at the telephone number given below for prompt action.

Respectfully submitted,

Robert P. Michal
